Military Expansion of Rome

Post Panel Discussion Questions: Individual Project Grade

Directions:
Now that we have completed the panel discussion on the military expansion of Rome you need to answer the summarizing questions below. Your responses to these questions must be typed (be sure to include a proper heading and title). For each question make sure that you answer using complete sentences, and that you use specific examples from the discussions to buttress (support) your claims and ideas. This will count as the individual graded portion of your project.

1) How did expansion of the Roman Republic affect the lives of the people in the republic?

2) Which historical figure(s) believed most strongly that the military expansion of the Roman Republic helped Rome? Why?

3) Which historical figure(s) believed most strongly that the military expansion of the Roman Republic hurt Rome? Why?

4) How might the military expansion of the Roman Republic have led to the rise of the Roman dictators?

5) Why is it important to analyze a variety of perspectives when studying an event like the expansion of the Roman Republic?
